(Cropper / Hayes / Porter)

I'll put your pictures all around my wall
I'll build a tower of love that won't fall
I'll do everything I can
I'll try to be your own lovin' woman
With every ounce of strength I have
Oh, yeah

Oh, there is nothing that I wouldn't do
To let the world know
I'm crazy 'bout you

I'd use all of my woman's power
To keep you happy for a million hours
Every ounce of strength I have
Every ounce of strength I have

You can ask for what you want
And a-get what you ask
I'd give my all to make
I would love for ever last
With every ounce of strength I have
Oh, yeah

Long as blood runs through my veins
Long as I can see clouds that bring on rain
I'll use a-all of my woman's power
To keep you happy for a million hours

With every ounce of strength I have
Every ounce of strength I have
I'm gonna keep you happy
With every, every, every, every ounce of strength I
have
Every ounce
I'm gonna keep you happy
With every, every, every
