Theme from the picture "Corvette Summer"

Simple dreams and crazy schemes
All can't come true
Hear what I'm saying
My love is with you
This fire between us
If only you might
Give me the night tonight

Give me the night
My heart's on ice
Come to me, care for me
Sing to me, share with me
Give me the night tonight

Oh, boulevards of broken dreams
Now, don't be depressed, oh
Now we're together
And we're riding the crest
I'm full of your passion
And you know the rest
So give me the night tonight

Give me the night
My heart's on ice
Come to me, care for me
Sing to me, share with me
Give me the night tonight
Ooh, night, yes night, is better
Oh, having you than having night
Oh, our life, our life together
Oh, it fills me with joy that won't stop

(Give me the night)
My heart's on ice
Come to me, care for me
Sing to me, share with me
Give me the night tonight

Ooh, hoo, my heart's on ice

Oh, come to me, care for me

Sing to me, share with me

Give me the night tonight

Ooh, hoo, my heart's on ice

Ah, come to me, care for me

Ooh, ah, ha

Give me the night tonight
