What a nice party
And I know just
Why I'm feeling so new
'Cause I came along
And I found you

I wanna make you happy tonight
I wanna make you happy
I wanna make you happy tonight
I wanna make you happy

It's just like magic
Dancing with you
While we're sharing a kiss
Oh, I've been in love
But never, no, never, like this

I wanna make you happy tonight
I wanna make you happy
I wanna make you happy tonight and every day I live,
yeah
I wanna give you all I have to give
Oh, I wanna make you so happy, yeah, oh, yeah

Yes, I've been in love
But never, no, never, like this

I wanna make you happy tonight
I wanna make you happy
I wanna make you so happy, child
Come on, I wanna make you so
