I've been trying hard to see  
Just what you want of me  
But it's no good, boy  
I'm setting you free

'Cause I need you so much more  
With each day that passes by  
You don't seem to care  
It's making me cry

So I'm packing up my bags  
Gonna make my getaway  
Get myself together  
I can't go on this way

Oh, baby, baby  
(Baby)  
I'm gonna leave you  
(I'm gonna leave you)  
I'm gonna leave you, baby

This lonely feeling deep in my mind  
'Cause I can't turn back if I leave you behind  
But I gotta do it now, yes, I gotta turn away  
Hold me one more time, don't ask me to stay

It's so hard to say goodbye  
'Cause it's you I'm thinking of  
It would never work out  
I know you're not in love with me

Oh, baby, 'cause I love you  
I'm gonna leave you  
(I'm gonna leave you)  
Said, "I'm gonna leave you, baby"

It's over and I'm walking out on you  
You'll never get the chance to feel untrue

Though I love you  
(Though I love you)  
And I need you

(And I need you)  
And I want you  
(And I want you)  
And I'm still walking out on you

Darling, though it hurts me so inside  
I can't take no more, gonna lose my mind  
So I'm packing up my bags, gonna make my getaway  
Get myself together, I can't go on this way

Oh, baby, baby  
(Baby)  
I'm gonna leave you  
(I'm gonna leave you)  
Said, "I'm gonna leave you, baby"

Yes, I'm gonna leave you, baby  
Oh, I'm gonna leave you, baby  
Leave you, baby
