Take your time and tell me  
Where you lie  
I realize  
That we've been found out this time

We should stay together  
If we can  
But what you've planned  
Means there's a difference between

What you're gonna say  
In private  
You still want my love  
We're in this together  
And what you're gonna do  
In public  
Say, you were never in love  
That you can't remember

So discreet  
(She's so discreet)  
I never tried to meet  
(She never)  
Your friends or interfere  
(No)  
I took a back seat  
(Back seat)  
Between

And what you gonna say  
In private?  
You still want my love  
We're in this together  
And what you're gonna do  
In public  
Say, you were never in love  
That you can't remember

What you gonna say, ay  
When you run back to your wife?  
I guess it's just the story of my life  
What you gonna say?

So take your time  
And tell me  
Where did you learn  
Oh, I may publicize  
(No)  
That there's a difference  
(Difference)  
Between

And what you're gonna say  
In private?  
You still want my love  
We're in this together  
And what you're gonna do  
In public  
Say, you were never in love  
That you can't remember

Tell me, what you're gonna say  
In private?  
(Ooh, ooh, ooh)  
You still want my love  
We're in this together  
(What you're gonna say, what you're gonna do?)  
What you're gonna do  
(Yeah)  
In private?  
(What you're gonna say?)  
You were never in love
