Where does our love lie
In the middle of nowhere?
Will it soon pass me by
In the middle of nowhere?

Baby, won't you tell me
What am I to do?
I'm in the middle of nowhere
Getting nowhere with you

Mmm, where did my heart land
In the middle of nowhere?
Where are the dreams I planned
In the middle of nowhere?

Listen to me, baby
Listen to my plea
I'm in the middle of nowhere
And it's worrying me

Over and over again
You tell me you need my love
If what you say is true
Why can't we be together?

Over and over you tell me
I'm all that you're thinking of
Baby, you know that I love you
But I can't wait forever

Where does our love lie
In the middle of nowhere?
How can you let it die
In the middle of nowhere?

Are you gonna leave me
Leave my heart astray?
I'm in the middle of nowhere
Come and show me the way

Over and over again
You tell me you need my love

Baby, you know that I love you
But I can't wait forever

Where does our love lie
In the middle of nowhere?
How can you let it die
In the middle of nowhere?

Are you gonna leave me
And leave my heart astray?
I'm in the middle of nowhere
Come and show me the way

Hey, where does our love lie?
Come on now
Where does our love lie?

Right slap in the middle of nowhere
Right slap in the middle of nowhere
Right slap in the middle of nowhere
Right slap in the middle of nowhere
