

Dusty Springfield "Look Of Love"

The look of love is in your eyes
The look, your heart can't disguise
The look of love is saying so much more
Than just words could ever say
And what my heart has heard
Well, it takes my breath away

I can hardly wait to hold you
Feel my arms around you
How long I have waited
Waited just to love you
Now that I have found you

You've got the look of love is on your face
A look, that time can't erase
Be mine tonight, let this be just the start
Of so many nights like this
Let's take a lover's vow
And then seal it with a kiss

I can hardly wait to hold you
Feel my arms around you
How long I have waited
Waited just to love you
Now that I have found you, don't ever go

I can hardly wait to hold you
Feel my arms around you
How long I have waited
Waited just to love you
Now that I have found you, don't ever go
Don't ever go, I love you so
