Dear Lord above
I swear that I
I will never love again
Unless I'm lovin' him
Oh, no, oh, oh, oh

He came to me
With a twinkle in his eye
And I fell for him
Yes, I fell for him

Took me by surprise
Unaware was I
Well I fell for him
Oh, I fell for him

If I ever needed help, I need it now
Ain't none of my so-called friends
Got the power to make my tears go 'way
So on my knees I pray
That you bring his love my way

Dear Lord above
I swear that I'll
Never, never love again
Oh, no ho

I stare down at the eyes
And wipe the tears I cried
When I fell for him
Yes, I fell him

Gettin' next to me
Was all he wanted to see
Well goody-good for him
Goody-good for him

When my heart's in trouble
And my mind's in doubt
You're the only one who could ever work it out
And bring the sun back in my day
So on my knees I pray

That you send his love my way

Dear Lord above
I swear that I'll
I will never love again
Unless I'm loving him
No I'll never, never, never, never
Never, never, never gonna love again

Oh, yes I'm never, never, never
Never, never, never, never gonna love again

Dear Lord above
I swear that I'll
Never, never, never, never, love again
Unless I'm lovin' him
Said I'm never, never, never, never
