"So Much Love"

In the midst of all my darkness, baby
You came along to guide me
You took pity on a lonely girl
When you said you'd stand beside me
I'll never forget you for what you've done
I'll never turn my back on you for anyone

I got so much love to give you
Baby, I got so much love to give you
Oh, there's more than enough
To last a whole life through, yes
And it's all for you

My world was cold and so empty
And my life so unfulfilling
When I needed someone to pick me up
You were oh, so willing
Now to you it might seem a little thing
But to me it seemed you'd changed my winter to spring

I got so much love
Baby, I got so much love to give you
Oh, there's more than enough
To last my whole life through, yeah
It's all for you

There's so few men nowadays
Who understand the soul of a woman
Now they're always on the take
And they're never giving, never offering a helping
hand

Oh baby, I can count on you
Whenever trouble calls you see me through
You show your love in so many ways
I'm gonna love you for the rest of my days, yeah

I got so much love to give you
Baby, I got so much love to give you
Oh, there's more than enough
To last my whole life through
Oh yeah, it's all for you

So much love to give you
So much love to give you
So much love to give you
So much love to give you
