(Bert Berns / Jerry Ragavoy)

Didn't I make you feel  
Like you were the only man?  
Didn't I give you everything  
A woman possibly can?  
But with all the love I give you  
It's never enough  
I'm gonna show you baby  
That a woman can be tough  
So come on, come on, come on, come on

(Take it)

Take another little piece of my heart, now baby

(Break it)

Break another little bit of my heart, now honey

(Have a)

Have another little piece of my heart now, baby

You know you've got it if it makes you feel good

Yeah, out on the street

And you know deep down in your heart

That ain't right

I know you never never hear me

When I cry at night

I tell myself that I can't stand the pain

But when you hold me in your arms I say it again

So come on come on, come on, come on and

(Take it)

Take another little piece of my heart, now baby

(Break it)

Break another little bit of my heart, now honey

You'd better have a

Have another little piece of my heart, now baby

You know you've got it if it makes you feel good

You'd better

(Take it)

Take another little bit of my heart, now baby

(Break it)

Take another little bit of my heart honey, now baby  
You'd better  
(Have a)  
Have another little piece of my heart, now baby  
You'd better  
Take it  
Take another little bit of my heart, now baby
