Through the dust bowl
Through the debt
Grandma was a suffragette
Blacklisted for her publication
Blacklisted for my generation
Go go go

Raise your hands
Raise your hands high
Don't take a seat
Don't stand aside
This time
Don't assume anything
Just go go go

Feed the fire
And fan the flame
I know your kids can stand the rain
I know the kids are still upsetters
'Cause rock is cool but the struggle is better
Go go go

Raise your hands
Raise your hands high
Don't take a seat
Don't stand aside
This time
Don't assume anything
I said this time
Now don't assume anything
Just go

{The truth is I was afraid
I felt inferior
I felt, I excelled in competing with others
And I knew instantly that these people were not
competing at all
That they were acting in a strange
Powerful trance of movement together
And I was filled with longing to act with them
And with the fear that I could not}

Did they tell you it was set in stone
That you'd end up alone
Use your years to psyche you out
You're too old to care
You're too young to count

Did they tell you, you would come undone
When you try to touch the sun
Undermine the underground
You're too old to care
You're too young to count

I said go go go

I said this time
Don't assume anything
Just go go go
(Go)
Go go go
(Go)
Go go go
(Go)
