When this old world starts getting me down  
And people are much too much for me face  
I climb way up to the top of the stairs  
And all my cares just fade right into space

On the roof  
It's peaceful as can be  
And there the world below  
Can't bother me

Keep a-telling you  
Right slap, dab in the middle of town  
I've found a paradise that's trouble-free  
Yes, I have now  
When this world starts getting you down  
There's room enough for two  
Up on the roof  
Up on the roof

Everything is all right  
Up on the roof  
Oh, come on baby  
Up on the roof  
Oh, yeah  
Yeah, yeah  
Up on the roof
