I don't like you but I love you  
Seems that I'm always thinking of you  
Oh, oh, you treat me badly  
I love you madly  
You really got a hold on me, yeah  
You really got a hold on me, baby, yeah

I don't want you but I need you  
I don't want to kiss you but I need to, oh, oh  
You do me wrong now  
My love is strong now  
You really got a hold on me, oh  
You really got a hold on me, baby, yeah  
I love you and all I want you to do is just  
Hold me, hold me, hold me, hold me

I want to leave you  
Don't want to stay here  
I don't want to spend  
Just one more day here  
Oh, oh, I want to split now  
I just can't quit now  
You really got a hold on me, yeah  
You got a hold on me  
Baby, yeah, yeah, yeah-eah-eah

I don't want to kiss you  
But I need to  
Oh, oh, you do me wrong now  
My love is strong now  
You really got a hold on me, oh  
You really got a hold on me  
Baby, yeah  
I love you and all I want you to do is just  
Hold me, hold me, hold me  
You really got a hold on me, oh  
You really got a hold on me, ah  
You really got a hold on me, oh  
You really got a hold on me  
You got me  
You got a hold on me  
Yes you have

You got a hold on me, ah  
You really got a hold on me  
Hey, you got a hold on me
