(only changes to the song are listed)

Intro

Here they come yo, here they come. repeats twice

This or that, This or that, repeats four times

First Verse

YO!

Who's the Black Sheep...

Chorus

You can get with this, three

Or you can get with that. / times

I think you'll get with this,

Cuz this is where it's at.

You can get with this, three

Or you can get with that. / times

I think you'll get with this,

Cause this is kinda fat.

Second Verse

Chorus

Third Verse (new)

Engine, Engine, Number Nine,

On the New York transit line,

If my train goes off the track,
Pick it up! Pick it up! Pick it up!
Back on the scene,
Crispy and clean,
You can try,
But then why,
Cause you can't intervene.
We be the outcast,
Down for the settle.
Won't play the rock,
Won't play the pebble.
Open the door,
You best believe,
We're sliding through it swiftly.
Niftly,
We can make it hip to be,
What we are cause what we be,
Be the epitome,
Doo-Dah-Dipity.
So now I dwell
Just to say your plainar
Hold your cup cause I got the container.
Pass a plader,
Cross the fader.
Black Sheep get played

Like the Sony innovator.

Never the traitor,

Party of later,

And you can get a scoop,

Later.

Chorus

Outtro

Here they come yo, here they come. repeats ten times
