Black Sheep in your house, party people you remember
The two that served your whole crew like the bartender
It's dynamic D, don't you panic 'cause we won't stop
Until hip-hop, is all it could be, now

You can't checks it when I flex it, yo I wreck
You're turning me off like a naked anorexic
I gets jazzy baby, if you're blastin maybe you can
See me and Mista Lawnge to drop the flavor loops like
Toucan

It's the genuine, nine and then some
Rolling with the Sheep but yo we all can't come
Because the part be on that old strict clientele
Dissing more people at the door than Jessica and
Miguel

Now if you're peeps of the Sheep then we'll let you in
But if you didn't buy my album then you're not my
friend
I recommend you step back to the end
And watch me catch wreck like fat people breakin' wind

Black Sheep, we're mighty like Isis
My man, I slam nice, yes more fly than Shazam I am
Dre's, D R E S, roar without a floor
I pound clowns who walk on sound for encores

Me and my man since eighty-three, makin' this fast
buck
Act up and get broken when I'm open like a Mack truck
Slammin' ya on camera like Gamera it's iller
'Cause you never knew the Sheep could catch wreck
like Godzilla

Yo, I can do it
(Can you do it? Can you turn the party out?)
Ain't nuttin' to it
(Can you make the people wanna scream and shout?)
Yeah, I can do it
(Can you do it? Can you turn the party out?)
Yo we can turn this party out

(Yeah, without a doubt)

Yo, I can do it
(Can you do it? Can you turn the party out?)
Ain't nuttin' to it
(Can you make the people wanna scream and shout?)
Yeah, I can do it
(Can you do it? Can you turn the party out?)
Yo we can turn this party out
(Yeah, without a doubt)

Black Sheep, the definition by now you should've
known
It means wherever we rock the spot gets blown
So when you see is on a flyer, it should be your desire
To witness more wreck than a West coast fire

So be prepared to bounce, jump around and all that
You don't have to ask Jack, you know where the party's
at
It's uptown in the Boogie Down, so don't sleep
On that Non Fiction hit by Black Sheep

Be the B B L L L A C K
S H, double E P and comin' your way with A
Dope styles B you can't compare
C D, come move your ass like you're sittin in my chair

We glow like incense, intense like suspense
Commence to rip the party, people love nonsense
I put the art in party with my padre, word to madre
I love deeper than that lady Sade

Black Sheep, rips and represents, believe we do
Have more crews than in the days of L.Q.
Now let me tell you, what other suckers failed to
We open more doors than a carpenter puts nails
through

I wish your style was copywritten to have fake suckers
quittin'
Because the Sheep style you're not gettin'
Ya see we know, yo, we gotta stay original
Keep the Black Sheep flow and party 'til it's time to go

Yo, I can do it
(Can you do it? Can you turn the party out?)
Ain't nuttin' to it
(Can you make the people wanna scream and shout?)
Yeah, I can do it
(Can you do it? Can you turn the party out?)

Yo we can turn this party out
(Yeah, without a doubt)

Yo, I can do it
(Can you do it? Can you turn the party out?)
Ain't nuttin' to it
(Can you make the people wanna scream and shout?)
Yeah, I can do it
(Can you do it? Can you turn the party out?)
Yo we can turn this party out
(Yeah, without a doubt)

Now to the peeps in the back, if you're not the wack,
say
(Don't stop with the body rock)
Now all the people in the front, if you're ready to bump,
say
(Don't stop with the body rock)
Now in the middle, we jangle jingle, it ain't no riddle,
say
(Don't stop with the body rock)
Now to the people on the side, if you're black with
pride, say
(Don't stop with the body rock)
