Don't let your love be wasted on me,  
I'm no good at all.  
Everything I'm hoping to be...  
Is all in your hands,  
All in your hands,  
I am all in your hands.

I don't know where to start,  
You pulled apart my life  
And breathed new life into my heart when I met you.  
I long to be more true  
I long to be more like the life you've shown,  
But I've blown it again.

Don't let your love be wasted on me,  
I'm no good at all.  
Everything I'm hoping to be...  
Is all in your hands, (All in your hands.)  
All in your hands, (All in your...)  
I am all in your hands.

I wanna be dressed in white,  
I wanna shine like stars at night,  
But I'm still light years from the goal.  
I don't have self-control,  
I don't have what it takes to make it happen,  
I need you, I need you.

Don't let your love be wasted on me,  
I'm no good at all.  
Everything I'm hoping to be...  
Is all in your hands, (All in your hands.)  
All in your hands, (All in your...)  
I am all in your hands.

You made a man out of nothing but dirt,  
I don't pretend to be anything more.  
If you can make something out of my life  
I won't stand in your way no more.

Don't let your love be wasted on me,  
I'm no good at all.

Everything I'm hoping to be...  
Is all in your hands, (All in your hands.)  
All in your hands, (All in your...)  
I am all in your hands.

All in your hands, (All in your hands.)  
All in your hands, (All in your...)  
I am all in your hands.
