You won't see no pictures of me pasted on nobody's wall,
And we can talk about art all night long, but I won't say nothing at all...
Now i ain't no pussy son of a bitch i get wasted every night
Cause the girls on the street give free
Cause i fuck so good
I guess it's cause i fuck so good
Cause I'm young dumb misunderstood
But i OWWW!
Oh yea that's right
Well i fuck so good YEA!
Some girls they like money
Some girls they like fame
I like girls that like to fuck
And i know you feel the same
I guess it's cause i fuck so good
Maybe it's cause i fuck so good
Cause I'm young dumb misunderstood
But i fuck so good
I mean it really i fuck so good
And i say i fuck so good
But I'm young dumb misunderstood
