Have you seen it?
Can you shine some around?
Can you make it part of your
Rock 'n' roll sound? Yeah.

Gimme some light. (Gimme some light.)
Gimme some light. Yeah. (Yeah.)
Gimme some light. (Gimme some light.)
Gimme some light. Yeah. (Yeah.)
Gimme some light. (Gimme some light.)
Gimme some light. (Light.)

Have you heard it?
Oh how sweet is the song.
Can you play that one for me
All the day long? Yeah.

Gimme some light. (Gimme some light.)
Gimme some light. Yeah. (Yeah.)
Gimme some light. (Gimme some light.)
Gimme some light. Yeah. (Yeah.)
Gimme some light. (Gimme some light.)
Gimme some light. (Light.)

Gimme some light.
