Let me show you how it's done
It's time to have some fucking fun
You've been bombarded with retarded fucking shit
Nothing but the hits
Now watch me, son
Ocean Beach to Kingdom Come
There's a lesson to be learned if you can see
But, you can't see me I'm #1
And there's a gang of motherfuckers on the bite
Each like pretending they're the flavor of the night
Dropped like a Yo-Yo Ono on the radio

Let me show you where it's at
Where all the beats are big and fat
Let me show you how it's done to be the mack
And knock you on your sacroiliac
(Yeah, now step the fuck back)
Let me show you how it's done [x2]
Let me show you the inventor of the wheel
The one to make you squeal and make you come
Blag the Hun
Let me show you how it's done
Yeah, let me show you how it's done, oh yeah
