"Insect Whore"

Insect whore
Sweat on the wall
Cum to the floor
Insect whore
Knawing on my nuts
Terrible guts
Insect pussy's on the run
Son of a bitch make her suck my cum
Insect pussy on the ground
Strap her to the briefs and flap it around

Now ain't nobody's as sick as me
To get drunk and and eat this honey
Insect whores the one that I dispise
Spread her legs and grab those thighs

Sweat on my ears
Fly's on my back
Cum over here
Let me cum on that crack
Beers over here
Sluts over their
Fuck me up and see more blood
