I lead a life of sin
It's time that we begin
Fuck this, plead insanity
Sex, drugs, debauchery

Oh yeah, alright

Rip off your clothes
Don't act like you don't know
I got no time to teach my skills
Have a drink
Take some fucking pills

Oh yeah, alright - Fuck all

Oh yeah, well alright

I lead a life of sin
And I put my penis in
Fuck this, plead insanity
Save, protect, debauchery

Oh yeah, alright - Fuck all
Oh yeah, alright - Fuck all
Oh yeah, well alright

Alright! [x3]
