"Let's Fuck"

Eyeballs for breakfast
Jack off for lunch
I'd like you better if you had a fuckin cunt
Let's fuck- let's fuck
I'm made of rubber
You're made of glue
I wanna stick my fucking cock inside of you
Let's Fuck
I am the best fuckin fuck in the whole USA
I can fuck you to death, I can fuck you to stay(?)
I am the best fucking fuck in the whole fuckin world
Dog eat dog, boy eat girl
I'm the duke of fuckin earl
Let's fuck
Old enough to bleed, old enough to breed
Old enough to pee then she's old enough for me
Let's fuck
