I hope that I get lucky tonight and die
Die die
I hope that I get lucky tonight and die
I don't know how and I don't know why
Kiss my bloody corpse goodbye
I hope that I get lucky tonight and die
I hope that I'll be coughin' up blood tonight
I hope that I'll be coughin' up blood
In broad daylight
Yeah coughin' up blood and shittin' downtown
Watch the people go round and around
I hope that I get lucky tonight and die
But I don't care what you do
Don't care what you say
Fuck the whole planet anyway
I hope that I get lucky tonight and die
