Once in a dream I saw
Your face shining before me.
What could I do but fall down?
I'm waking up now and I'm laying it all down.

There may be a long way left to go,
I don't know, I don't know.
But one thing I do know
You're taking me home, you're taking me home.

You're taking me home.

Once in my heart I heard
Your voice calling my name.
What could I do but turn around?
I'm listening now and you know that I'll follow that
sound.

There may be a long way left to go,
I don't know, I don't know.
But one thing I do know
You're taking me home, you're taking me home.

You're taking me home.

There may be a long way left to go,
I don't know, I don't know.
But one thing I do know
You're taking me home, you're taking me home.

You're taking me home. You're taking me... yeah.
You're taking me home. You're taking me home.
You're taking me home. Home.
