Bitch I love you

1, 2

Oh, bitch I love you won't you run away with me
Oh, bitch I need you more than anyone can see
And I love it if you're leaving, I love it if you stay,
Bitch I love you, won't ya let me run away.

Oh, bitch I'm leaving on a sunny afternoon
yes and I'm never coming home, I'll be back soon
if you tell me you refuse me, then I can't be thrown
away,
Bitch I love you, won't ya let me run away.

hey run away, run away anywhere that you want to go,
do really give a damn so... what? so what!

So, bitch I love you won't you run away with me
Oh, bitch I need you more than anyone can see
And I love it if you're leaving, I love it if you stay,
Bitch I love you, won't ya let me run away.
Bitch I love you, won't ya let me run away.
Oh, Bitch I love you, won't ya let me run away.
