There's a little dance, and I do it every chance I get
You just wave your arms around like you're retarded
and you got Tourette

Just like this - just like this
Do the HeWho

Do the HeWho [x2]

Yeah, there's a little dance, and it isn't for romantic -
Do the HeWho
Stand around and get real frantic - Do the HeWho
Raise up from the dead like a newborn messiah
Hit the floor like? on fire
High? higher
Do the HeWho

Do the HeWho [x6]
HeWho!
