

Dwarves "I Will Deny"

Visit "[I Will Deny](#)" on MotoLyrics.com

There's one for everyone;
Everything you've done for me,
And nothing in between.
We live in infamy, uncontrollably,
And we see the centerpiece.

Fuck the world, I will deny you.
I will deny,
Atomizing, terrorizing, mesmerizing.
Fuck the world, I will deny you.
I will deny, we will deny.

There's room for everyone;
It's time to have some fun with the
Man from Galilee.
No time for chastity;
That now would have to be my dream,
Bleeds the Nazarean.
(That's quite a scene.)

Fuck the world, I will deny you.
I will deny,
Atomizing, terrorizing, mesmerizing.
Fuck the world, I will deny you.
I will deny, we will deny.

Nobody loves me, nobody cares,
And when I die, there won't be nobody there.
Nobody loves me, nobody cares,
And when I die... and when I die...
I wanna die, I wanna die!

Fuck the world, I will deny you.
I will deny,
Atomizing, terrorizing, mesmerizing.
Fuck the world, I will deny you.
I will deny, we will deny.

I will deny...
