Hey these kids today, they're so much better than the
kids
of yesterday, hey hear what they say this generations
here
to stay these kids today. These kids today got nothing,
so
we got nothing to lose 200 channels on TV and nothin
but
real bad news these kids today want answers, but
we've got
nothin but lies they tell us they know what's best and
they
no compromise.
Hey these kids today, they're so much better than the
kids
of yesterday, hey hear what they say this generations
got a
way these kids today.
These kids today got somethin, that nobody else can
match
your better be here before us oh you're such a sexy
BAATTCHH seen nothin but god damn muzzles. that's
nothin that
i will abide.we're runnin away to find that they scream
god

1,2,3,4 baby come and hit the floor 5,6,7,8 baby come
and can't relate hey hey hey hey hey.
