Hey hey- a slut
Skin poppin' slut
Hey hey- a slut
Skin poppin' slut
She ? my butt- my butt
my butt- a slut
Skin poppin' slut
Hey hey- a slut
Make people come
Don't come- don't come
Skin poppin' slut
She fucks- she sucks
My butt(?)- she cut
So what- so what
Skin poppin' slut
You're going straight to hell now
Well I'm just a slut
I never get enough
I'm just a fuckin slut
I never get enough
I never get enough
I never get enough
Hey hey
