Time to kill and cut to size  
Anyone who would criticize  
The band that wouldn't die-ie-ie  
We're slut-core you fuckin' whore  
Best you recognize  
We are the band that wouldn't die-ie-ie  
And you had best to recognize

Here lie The Dwarves  
The Jesuses of cool  
Here lie The Dwarves  
No reason and no proo-oo-oof  
Here lie the dwarves  
Like turd in swimmin' pool  
We got to do what we (Do what we)  
Do what we (Do what we)

Time to kill and cut to size  
Anyone who would criticize  
The band that wouldn't die-ie-ie  
And you had best to recognize  
And say good-bye
