Trust me baby I confide in your love
Time away makes me come back to you can't deny
Anyway that we coincide is love
All we know is to love with our souls
While dripping love's liquor
I get a kick...out of you
Trust me baby I confide.I confide now yea
Something tells me you and I
Should never be alone
Soon baby you and I will be
Too mellow, I'm telling you, you bring out of me
A dripping, romantic, singer I...
I get a kick...out of you
As long as the sun will shine
As far as the sky will fly I...
I get a kick...out of you
