[x2]

[hook:]

Lay it down (down) on me (down) on me, (down) on me  
[x2]

[verse 1]

I find it hard to believe someone as beautiful (as  
beautiful)  
Inside, as well as physical, would hold back something  
so emotional (so emotional)  
Just let it go, and lay it down  
And enjoy yourself if only for the night  
Just leave it because a new day tomorrow will bring  
We will leave no void this moment can't replace

So just,

[hook:]

Lay it down (down) on me (down) on me, (down) on me  
[x2]

[verse 2:]

If I had one wish, it would be that I could spend more  
time with you  
And live in your aphrodisiality, so that we could do  
things lovers do (lovers do)  
If I could, you know I, give my love

No need to worry about what time it is (worries none)  
You'll find my-self to be available, so that I could know  
exactly what it is

[hook:]

Lay it down (down) on me (down) on me, (down) on me  
[x4]

[bridge:]

Lay it down,  
You should never ever, let lost love get the best of you,  
just (lay it down)

One man's loss is this mans gain  
Won't you lay down your pain and breath (lay it down)  
I- I got what you need  
If you ever feel the need to (lay it down)  
It's your world if only for one night, it's for you so baby  
won't you...

[Vamp:]

Come here lady lay it down, let your soul be down,  
I-I-I'm gonna give you peace of mind [repeat to fade]
