Look into these eyes  
And tell me who do you recognize  
Look into these eyes  
And tell me do you really want to be free

Do you want to know the truth  
Then tell me how to get it through to you  
Come on and tell me can you hear me  
Can you hear me calling

Calling for a revolution today  
Calling for a revolution of the heart  
Calling for a revolution today  
Calling for a revolution of the heart

Look into these eyes  
And tell me when are you going to realize  
Look into these eyes  
And tell me do you really want to believe

Do you want to know the truth  
Then tell me how to get it through to you  
Come on and tell me can you hear me  
Can you hear me calling

Calling for a revolution today  
Calling for a revolution of the heart  
Calling for a revolution today  
Calling for a revolution of the heart

Hell yeah  
Can you hear me calling

Look into these eyes  
And tell me do you really feel alive  
Look into these eyes  
And tell me do you really want to believe

Do you want to know the truth  
And tell me how to get it through to you  
Come on and tell me can you hear me  
Can you hear me calling

Calling for a revolution today  
Calling for a revolution of the heart  
Calling for a revolution today  
Calling for a revolution of the heart
