Let's rock

Well, you can take that look off your face
Because I just cannot take it no more
Take that look right of your face
Your stupid face that I abhor, that I abhor

Well, tell me to what do you amount
Well, come hear me shout
Well, don't make me laugh
Don't make me

Laugh on the other side of my face
With a little smile of scorn
With misery I have been graced
Bursting until my lungs are sore

Come hear me roar

Well, tell me what have I achieved
Come hear me sing
Well, don't make me laugh
Don't make me laugh

Laugh
Don't make me
Don't make me
Don't make me laugh

Get out of my face now
Don't make me
Don't make me
Don't make me laugh
