Sweetness...

It's just a matter of taste
I wish we were not misplaced
You only quote these lines,
But I'll be fine.
I'll only recite mine
Until I'm gone with out a trace.
So, it's just a matter of time.

Strip for me as I've stripped for you.
We've got nothing to hide and we've got less to lose.
Strip for me as I've stripped for you.
I've got nothing to hide
I've got nothing to hide..and less to lose.

They'd find you a criminal, delectable.
They'd find me intangible, invisible
Gone without a trace

Strip for me as I've stripped for you.
We've got nothing to hide and we've got less to lose.
Strip for me as I've stripped for you.
I've got nothing to hide
I've got nothing to hide..and less to lose.

It's a lot to take but they won't find us.
It's a lot to take I know, I know.
It's a lot to fake but pay no mind
'Cause this is how we're made, you know,
And so...

Strip for me as I've stripped for you.
We've got nothing to hide and we've got less to lose.
Strip for me as I've stripped for you.
We've got nothing, nothing, nothing

Strip for me as I've stripped for you.

We've got nothing to hide and we've got less to lose.
Strip for me as I've stripped for you.
I've got nothing to hide
I've got nothing to hide..and less to...
