When you were younger
And not as cold and angry
Girl in the summer
Leaving the blues in baby there

That I remember

And then you're losing
Nobody tells you
When you stop thinking
Let me start drinking

And that I remember
That I remember
I remember
Baby

Six o'clock in the morning
Finished recording
Feeling a lonely
No place is home and I remember

That I remember
That I remember
That I remember

And I remember you
I remember you
I remember you

Everything rightful mind
Baby, baby, baby, baby
Everything be on my mind
Baby, baby, baby, baby

'Cause she has been over
[Incomprehensible]
Six o'clock in the morning
I finished recording

And I remember
That I remember

That I remember
That I remember
That I remember
