I saw you coming, you saw me  
And took off running  
Shells in your eye,  
What â€¦ in disguise  
I wonder why you never try  
To understand a heart like mine

Oh I didn't waste any time  
Cause I love, I'll have to find  
So is what you see  
You're in love, belong to me  
Oh I, I wonder why you never try  
To understand a heart like mine

Oh I, I wonder why you never try  
To understand a heart like mine  
Oh I, I wonder why you never try  
To understand a heart like mine  
A heart like mine, a heart like mine  
A heart like mine, a heart like mine  
A heart like mine, a heart like mine  
A heart like mine, a heart like  
A heart, a heart like  
A heart, a heart, a heart like  
A heart like mine, a heart like mine
