Chorus:

Bury me along the big sandy
Down in the blue gray mountains
Rest my soul in those hills of coal
Until this old earth does tremble

Now don't you mourn for me when my soul is free
Woman don't you cry
Just bury me along the big sandy
Under a blue Kentucky sky

This old town of sin, it's about to do me in
I don't know how much I can stand
With my knees on the street and my heart at their feet
I'm forced to beg from Satan's hand

Chorus:

So bury me along the big sandy
Down in the blue gray mountains
Rest my soul in those hills of coal
Until this old earth does tremble

Now don't you mourn for me when my soul is free
Woman don't you cry

Just bury me along the big sandy
Under a blue Kentucky sky

When I came to this land I was strong and I could stand
But now I've somehow gone astray
Yet I still see the truth in the teachings of my youth
And I know that the Lord ain't turned away

Chorus:

So Bury me along the big sandy
Down in the blue gray mountains
Rest my soul in those hills of coal
Until this old earth does tremble

Now don't you mourn for me when my soul is free
Woman don't you cry
Just bury me along the big sandy

Under a blue Kentucky sky
Under a blue Kentucky sky
