They just don't know how lost I feel without you  
My teardrops never see the light of day  
I laugh and joke each time they talk about you  
Oh, but if they heard my heart they'd hear it say

Excuse me, I think I've got a heartache  
There's an aching deep inside that just won't be denied  
Excuse me, I think I've got a heartache  
And I'd better say goodbye before I cry

I guess it's pride that makes me hide my sorrow  
Do you know what hurts in all I do and say?  
My lips both lie and paint a bright tomorrow  
But if they told the truth I'd have to say

Excuse me, I think I've got a heartache  
There's an aching deep inside that just won't be denied  
Excuse me, I think I've got a heartache  
Oh, and I'd better say goodbye before I cry
