I know that you've been foolin' around on me right from
the start

So I'll take back my ring and I'll take back my heart
And when you're tired of foolin' around with two or
three

Well, come on home and fool around with me

I wasn't foolin' around the day I said I do

Oh, but many nights I wished that I had been foolin' too

I know it's foolish taking all this misery

But when it's you, a fool I'll always be

I know that you've been foolin' around on me right from
the start

So I'll take back my ring and I'll take back my heart
And when you're tired of foolin' around with two or
three

Well, come on home and fool around with me

So honey, fool around, you know right where I'm at

Oh, don't worry if I'm lonesome 'cause I'm used to that

And when you're tired of foolin' 'round with two or three

Well, come on home and fool around with me

I know that you've been foolin' around on me right from
the start

So I'll take back my ring and I'll take back my heart
And when you're tired of foolin' around with two or
three

Well, come on home and fool around with me
