Honey, if you only knew
What I've the will to do
Endure or take
All for love's sake.

Baby, there'd be no denyin'
Any sacrifice that
I'm prepared to make
All for love's sake.

As evidence I offer up my heart
Begging you to use every last part.

Baby, I'll stand shielding you
Any it hurt quick to pursue
Each blades embrace
All for love's sake.

--- Instrumental ---

As evidence I offer up my heart
Begging you to use every last part.

--- Instrumental ---

Honey, if you only knew
What I've the will to do
Endure or take
All for love's sake.

Baby, there'd be no denyin'
Any sacrifice that
I'm prepared to make
All for love's sake.

As evidence I offer up my heart
Begging you to use every last part.

For love's sake.
For love's sake.
For love's sake.
For love's sake.

For love's sake.
For love's sake...
