This heart of stone sure is missing you
Sure is wishing you were back where love belongs
This heart of stone has not forgotten you
But broke while trying to pretend that it was strong

Memories have made its will grow tired and weak
Silently it turned from being bold to meek
'Til finally it gave into a sad defeat
Aching more and more with every fragile beat

This heart of stone
(Heart of stone, heart of stone)
Sure is missing you
(Heart of stone, heart of stone)
Sure is wishing you were back where love belongs
(Wishing you)

This heart of stone
(Heart of stone, heart of stone)
Has not forgotten you
(Heart of stone, heart of stone)
But broke while trying to pretend that it was strong
(Trying to)

Loneliness has slowly stripped it of its pride
Leaving just an empty well here behind
Without a hope of anyway it could survive
Stranded there alone and simply left to die

This heart of stone
(Heart of stone, heart of stone)
Sure is missing you
(Heart of stone, heart of stone)
Sure is wishing you were back where love belongs
(Wishing you)

This heart of stone
(Heart of stone, heart of stone)
Has not forgotten you
(Heart of stone, heart of stone)
But broke while trying to pretend that it was strong
(Trying to)

But broke while trying to pretend that it was strong
