(bert berns)

I can see her right out my window  
Walkin' on the street, my girl with another guy  
His arms around her like it used to be with me  
Hey man, it makes me want to die

Yeah, yeah, yeah

Here it comes  
Here comes the night  
Here comes the night  
Whoa, whoa, whoa, yeah

There they go it's funny how they look so good  
together  
Wonder what is wrong with me  
Why can't I accept the fact that she's chosen him  
And simply let them be

Whoa, whoa, whoa

Here it comes  
Here comes the night  
Here comes the night  
Whoa, whoa, whoa, yeah

Oh, she's with him, he's turning out the lights  
And now he's holding her the way I used to do  
I can see her closing her eyes and telling the lies  
Exactly like she told me too

Whoa, whoa, whoa

Here it comes  
Here comes the night  
Here comes the night  
Whoa, whoa, whoa, yeah

Here it comes  
Here comes the night  
Here it comes

Here comes the night  
Here it comes  
Here comes the night  
Here it comes  
Oh, here comes the night
