Hey Little Girl

Hey little girl, you don't have to hide nothin' no more,
Oh, you didn't do nothin' that hasn't been done before.

Little girl thought she wouldn't get caught, you see,
She thought she's get away with goin' out on me.

Oh, other girls do it, you didn't think of nothin' new,
You went out on me, so what, other girls do too.

You can leave little girl, 'cause I don't want you around
no more,
And if you come knockin' you won't get past my door.

Oh, you got nothin' to hide and everybody knows it's
true,
Too bad little girl 'cause it's all over for you.
