Night wolves moan
Winter hills are black
I'm all alone
Sitting in the back
In a long white Cadillac

Train whistle cries
Lost on it's own track
I close my eyes
Sitting in the back
In a long white Cadillac

Well, sometimes I blame it on a woman
The one that made my poor heart bleed
Well, sometimes I blame it all on money
Sometimes I blame it all on me

Oh, headlights shine
A highway fades to black
It's my last ride
Sitting in the back
In a long white Cadillac

Well, sometimes I blame it on a woman
Yeah, the one that made my poor heart bleed
Sometimes I blame it all on money
Sometimes I blame it all on me

Night wolves moan
Winter hills are black
I'm all alone
Well, sitting in the common back
In a long white Cadillac

Well, in a long white Cadillac
In a long white Cadillac
In a long white Cadillac
In a long white Cadillac
