Oh, the sun's gonna shine in my life once more  
Love's gonna live here again  
Things are gonna be the way they were before  
Love's gonna live here again

Love's gonna live here, love's gonna live here  
Love's gonna live here again  
No more loneliness, only happiness  
Love's gonna live here again

I hear bells are ringin', I hear birds are singin'  
Love's gonna live here again  
I hear bees are hummin' and I know the days are  
comin'  
Love's gonna live here again

Love's gonna live here, love's gonna live here  
Love's gonna live here again  
No more loneliness, only happiness  
Love's gonna live here again  
Yeah, love's gonna live here again
