(dwight yoakam)

Chorus:

Since I started drinkin' again
Since I started drinkin' again
I ain't she'd one lousy tear over you
Since I started drinkin' again

I know that the neighbors are all a-talkin'
They swear that I have lost my mind
Ah, but they do not know
That I've just gained control
Of all the heartache that you left behind

Chorus:

Since I started drinkin' again
Since I started drinkin' again
I ain't she'd one lousy tear over you
Since I started drinkin' again

Well I know that the boss is gonna fire me
When I stumble in late to work again
But surprise will replace that old scowl on his face
When he sees that I do not give a damn

Chorus:

Since I started drinkin' again
Since I started drinkin' again
I ain't she'd one lousy tear over you
Since I started drinkin' again

I ain't she'd one lousy tear over you
Since I started drinkin'
Since I started drinkin'
Since I started drinkin' again
