Some Dark Holler

I'd rather be in some dark holler

Where the sun don't never shine

Than to be here alone knowing you're gone

While I slowly lose my mind
So blow your whistle freight train

Take me farther on down the track

I'm going away, I'm leaving today

I'm going and I ain't coming back
I'd rather be in some dark holler

Where the sun don't never shine

Than to be in some big city

In a small room with your love on my mind
So blow your whistle freight train

Take me farther on down the track

I'm going away, I'm leaving today
I'm going and I ain't coming back
I'd rather be in some dark holler

Where the sun don't never shine

Than to be here alone knowing you're gone

As I slowly lose my mind
So blow your whistle freight train

Take me farther on down the track

I'm going away, I'm leaving today

I'm going and I ain't coming back
I'm going and I ain't coming back
Yes, I'm going and I ain't coming back
