I came here looking for something  
I couldn't find anywhere else  
Hey, I'm not tryin' to be nobody  
I just want a chance to be myself

I've spent a thousand miles of thumbin'  
Yes, I've worn blisters on my heels  
Tryin' to find me something better  
Here on the streets of Bakersfield

Hey, you don't know me but you don't like me  
Say, you careless how I feel  
How many of you that sit and judge me  
Ever walked the streets of Bakersfield?

Spent some time in San Francisco  
I spent a night there in the can  
They threw this drunk man in my jail cell  
I took fifteen dollars from that man

Left him my watch and my house key  
Don't want folks thinkin' that I'd steal  
Then I thanked him as I was leavin'  
And I headed out for Bakersfield

Hey, you don't know me but you don't like me  
Say, you careless how I feel  
How many of you that sit and judge me  
Ever walked the streets of Bakersfield?

Hey, you don't know me but you don't like me  
Say, you careless how I feel  
How many of you that sit and judge me  
Ever walked the streets of Bakersfield?

How many of you that sit and judge me  
Ever walked the streets of Bakersfield?
