(dwight yoakam)

She said, baby things change. I said, but I feel the same.

She said, well let me explain, baby, how things can change

I said, but that doesn't show how a love that could grow
Would become so estranged. she said, well baby,
things change

Chorus:

She said, na, na, na, na, na, now, now

Now, now, now

Baby, don't try to figure this out

Or ask questions 'bout why

Forever's a promise

No love can survive

And trust with hearts

Just don't apply

She said,

'cause baby, things change

Chorus:

She said, na, na, na, na, na, now, now, baby, don't try

To figure this out, or ask questions 'bout why

Forever's a promise no love can survive

And trust with hearts just don't apply

She said, 'cause baby, things change

Na, na, na, na, na, now, now, so baby, I quite tryin'

To figure things out about all your heart's lyin'

Forever's a promise we couldn't survive

Hey, I may be slow, but I ain't blind

She said, I still love you so. I said, I don't care to know

She said, you once cried my name. I said, well baby,
things change

And let's don't go placing no blame, 'cause you know
things can change

Na, na, na, na, na, na.na, na, na, na, na, na

She said, you once cried my name. I said, well baby,
things change

Na, na, na, na, na, na. na, na, na, na, na, na
Let's don't go placing no blame, 'cause you know
things can change

Na, na, na, na, na, na. na, na, na, na, na, na
